Everything in your life has led you to this point.

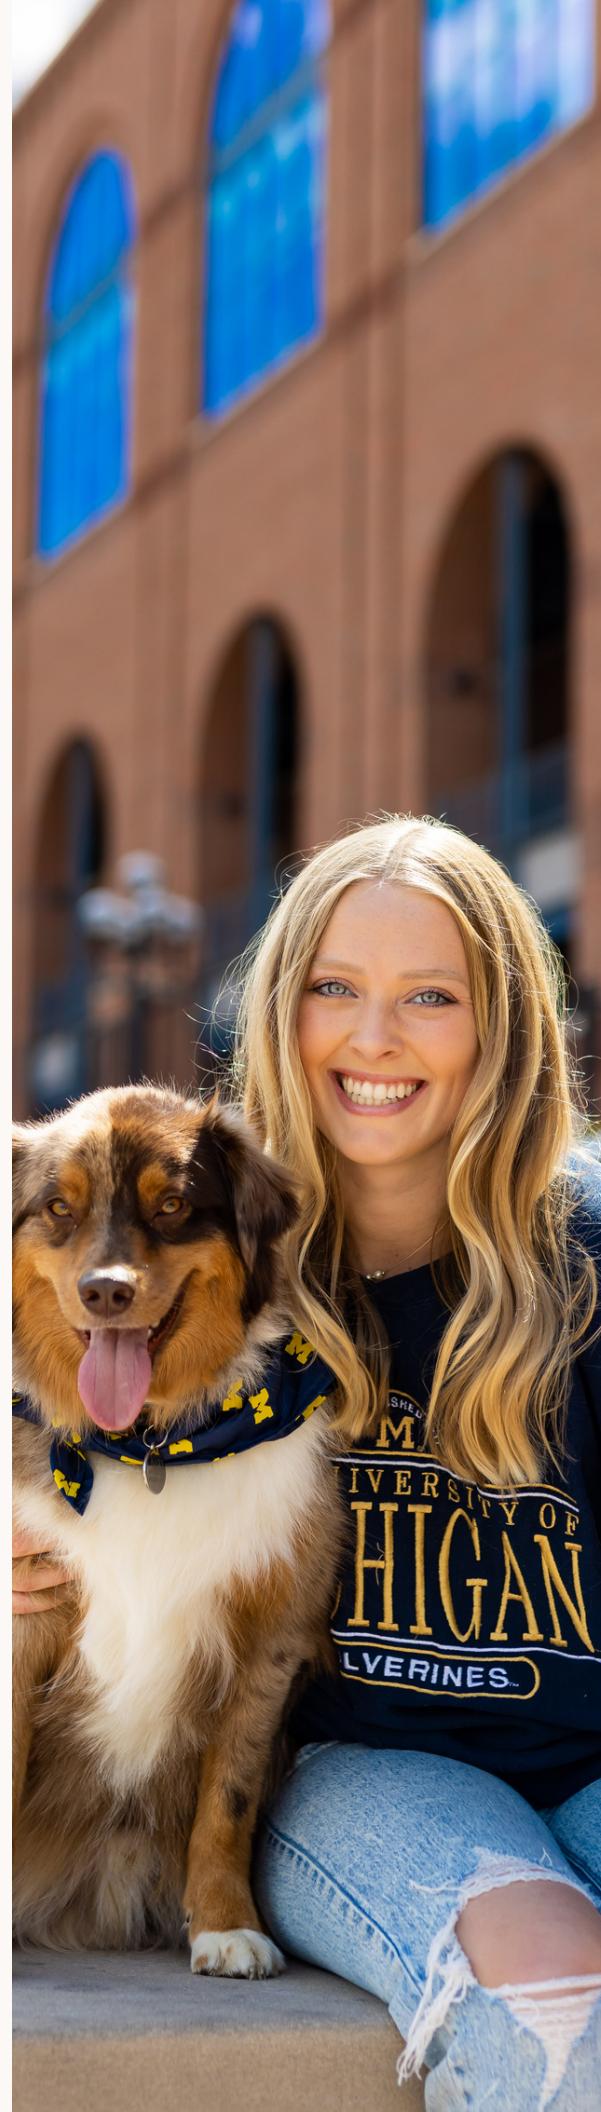

You're thinking about how you want to capture it, how you'd like to remember these passing days. Maybe you want to have something to turn in your hands once the dust settles. To pass on to family, to have on your wall, to tack onto a love letter.

That's where I step in. Committed to capturing unique stories, adventures, and everyday love affairs, I feel so lucky to be able to do what I do best day in and day out. Just know that I don't do things in halves. Book me, and I'm all in. Down for the ride, up for a dance, and here for the real stuff.

# ABOUT ME

Hi, I'm Jenna. I'm a photographer, future veterinary student, and adventure enthusiast, and I'm here to tell your story. I spend my days either working at the vet hospital or daydreaming about my next trip, which could easily be another spontaneous trip to Maui. I just graduated from University of Michigan and am now in the process of applying to vet school! I found photography through taking countless photoshoots with friends in high school, and I love it for its capacity to freeze moments in time - to document love in all of its wild and wonderful forms. I aim for a natural, unposed, and intimate feel to my photos. In my opinion, the best types of photos are the unscripted, unposed photos where you are being genuinely and unapologetically you. I embrace the mess of uncertainty and chaos, and have learned how to capture these moments perfectly to tell your story exactly how it is.

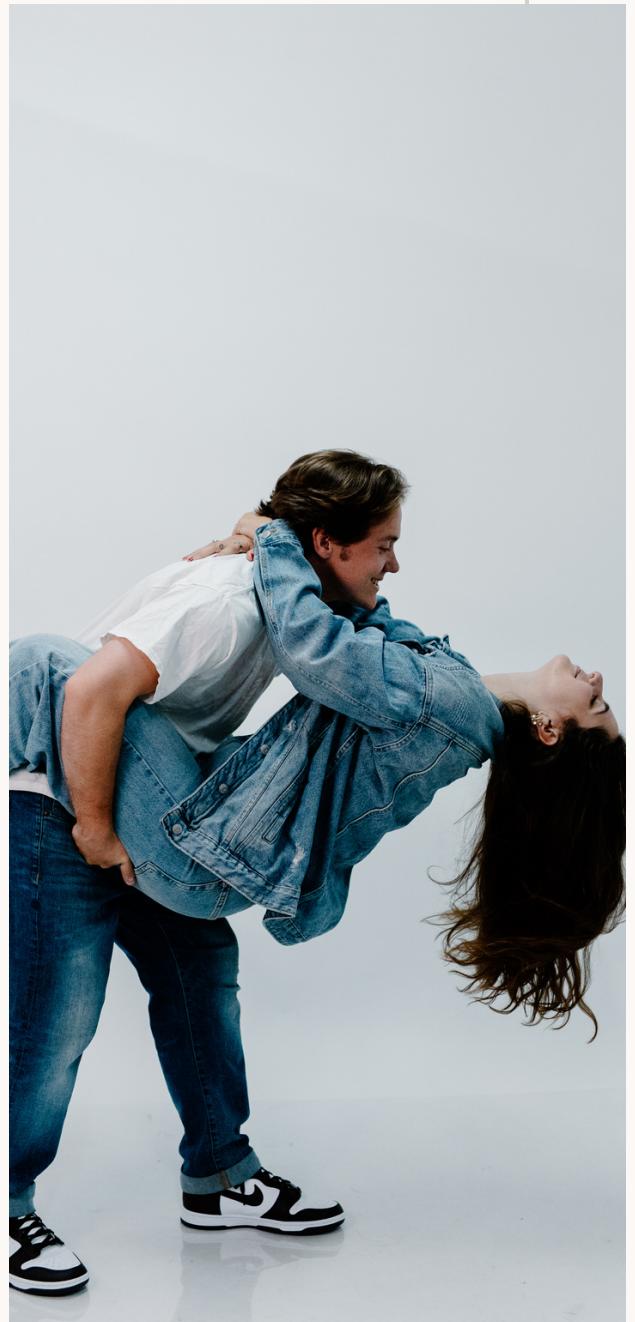

## TESTIMONIALS

"Jenna's photography skills are phenomenal. I absolutely loved my photos, they were breathtaking. She is so dedicated to her work and ensuring that each client has the best experience possible! I especially loved how helpful she was with figuring out poses for my college graduation photos and how dedicated she was to capturing the perfect shots. Jenna is so down to earth and has a heart of gold! I couldn't have asked for a better photographer and graduation photos"
